The first day of the month
 on the 1st of March we arrived at
 a small town called ...
 where we stayed for a few days
 before going on to the next place.

The second day of the month
 we went on to the next place
 where we stayed for a few days
 before going on to the next place.

The third day of the month
 we went on to the next place
 where we stayed for a few days
 before going on to the next place.

The fourth day of the month
 we went on to the next place
 where we stayed for a few days
 before going on to the next place.

The fifth day of the month
 we went on to the next place
 where we stayed for a few days
 before going on to the next place.

The sixth day of the month
 we went on to the next place
 where we stayed for a few days
 before going on to the next place.

Dear Mother
I have just received your letter of the 10th
and was very glad to hear from you
and all the family. I am well and hope
this finds you the same.

I am writing you a few lines
to let you know how I am getting on.
I am still in the hospital, but I am
feeling much better now. I am
able to walk a little and I am
able to read a little. I am
able to write a few lines now and
then. I am still in the hospital, but
I am feeling much better now.
